

SOUTHERN
COLLISION CENTER

Job Title: Auto Body Technician

Location: Southern Collision Center, LLC, Enterprise, AL

Job Type: Full-time

About Us: Southern Collision Center, located in Enterprise, AL, is a well-established and reputable auto collision center committed to providing exceptional collision repair services. With a proven track record of successful operations, we continue to uphold our commitment to quality and customer satisfaction. We offer retirement plan contributions, Blue Cross Blue Shield Insurance Plans and paid holidays. As we expand our team, we are seeking a skilled and experienced Auto Body Technician to contribute to the excellence of our repair services.

Responsibilities:

1. Collision Repair:

- Perform skilled and efficient repairs on damaged vehicles, ensuring the highest quality workmanship.
- Utilize industry-standard techniques to restore vehicles to pre-accident condition.

2. Panel Replacement and Restoration:

- Replace or repair damaged vehicle panels using appropriate tools and equipment.
- Restore structural integrity and alignment of vehicles.

3. Surface Preparation and Painting:

- Prepare surfaces for painting through sanding, masking, and other necessary procedures.
- Collaborate with the paint team to achieve seamless color matching and finishes.

4. Diagnostic Skills:

- Diagnose and identify structural and non-structural damage on vehicles.
- Provide accurate estimates of repairs and timeframes.

5. Quality Assurance:

- Conduct thorough inspections of completed work to ensure it meets or exceeds industry standards.
- Address any deficiencies or imperfections in the repair process.

6. Documentation:

- Maintain detailed records of repairs, including parts used, labor hours, and any additional relevant information.

- Communicate effectively with the Parts Manager to ensure timely availability of required components.

Requirements:

1. Proven experience as an Auto Body Technician with a focus on collision repair.
2. Proficient in using various tools and equipment associated with auto body repair.
3. Strong attention to detail and commitment to delivering high-quality work.
4. Excellent diagnostic and problem-solving skills.
5. Knowledge of safety protocols and willingness to adhere to them.
6. Ability to work independently and collaboratively within a team.
7. I-CAR or ASE certification is a plus.

How to Apply: Interested candidates should submit their resume and a cover letter detailing their relevant experience to brian@southerncollisioncenter.com

Southern Collision Center, LLC is an equal opportunity employer. We encourage candidates from all backgrounds to apply.
